

Earn \$ every time you purchase in Bars, Cafe or Bottle Shop!
A chance to win our Progressive Jackpot every time you Purchase!

We love our Customer Rewards Program, it's a way to say thanks to our regular customers. Essentially it operates like a Fly Buys type card with 1 to 3% of the value of your purchases are credited to your "Customer Rewards Account". You are free to use these Reward Points on to fund any part or full purchase you make within the Seven Mile Inn.
It's what a Rewards Program should be!

Check your balance on-line thru the Seven Mile Inn website and complete the sign up survey to tell us what interests you, then we can keep you up to date with Events, Products and Specials you are interested in and not waste your time with items that are of little interest to you.

To log into your account click on the "Customer Rewards" tab on the left navigation bar on the website, enter your card number located on the back of your card underneath the barcode and use your mobile phone number as your password.

Everyone has the chance to **win our weekly Progressive Jackpot** by making a purchase, a portion of the value of our Customer Rewards sales is placed into the Progressive Jackpot and the computer selects a winner using a random transaction number, so anyone could win at any time!! If you are the winner the amount of points in the progressive jackpot automatically is transferred to your account so you are free to spend them on any product at the Seven Mile Inn. It couldn't be simpler. Sponsorships are a breeze at the Seven Mile Inn, give your team or organisation members a Seven Mile Inn Customer Rewards Card which we can link to a central account, every time a member makes a purchase at the Seven Mile Inn, the team or organisation is credited with the Rewards Points which the Seven Mile is happy to donate back to your Team or Organisation with either product or cash! Now that's easy fundraising!

To join our program simply ask at our Bottle Shop or Cafe, we'll have your card up and running in about 30 seconds flat, all we need is your mobile phone number.

Any questions, just ask for Bevan
